

Wedding Album Image Request

Wedding Date Name: 20130914Jones

Please list below your favorite "must have" images to be included in your album.
You only need to include the last four numbers and two letter combination in the file name. i.e.: *2146ei* or *1146(1)*
Images do not have to be in any particular order. The typical wedding album will have 60-70 images and span 20 some pages.
Additional images can be included, but may increase the page count and the final cost of the album. Use a duplicate page to list additional images.
